What clients say about SMEPayroll

Yin Kang | HR Assistant

I find this software very user friendly and is suited for computer users of all proficiency level. For myself, every month it only takes me 10 -15 minutes to do up the payroll for the entire company.

V Soma | General Manager

We are writing to appreciate your Company for providing us SMEPayroll software that very well support to our administrative and accounting function for our business requirement.

Lucas Seah | Managing Director

SMEPayroll is a very powerful tool and i thank the SMEPayroll account manager for actively assisting me several times. The software is also regularly updated based on the requirements of Singapore law.

Jennifer R. Crizaldo | Human Resource Officer

SMEPayroll is so simple to use that I didn't even need to look at the instructions – it was self explanatory and user friendly. I would have no hesitation in recommending SMEPayroll to any business looking for excellence in product and service.

Kellie Webster | Communication & Office Manager

We are very happy with the SMEPayroll software and feel that the tech support provided is fast, efficient and helpful.

Lorena Cruz | Account Executive

Sales and after sales customer service is commendable. Technical support is also very supportive.

Vishal Attal | Director

We have been using SMEPayroll product for more than 4 years now. We are impressed with simple ways of processing payroll, bank & CPF payroll feeds and continuous updates to the system. Keep up the good work!

Kalavathi | Accounts Department

With reference to the payroll as a client we are satisfied with the software. Its very user friendly, easy to use & the support is very efficient. After the payroll has been install in the company our job has really been smooth & efficient.

Michelle Ng | Manager, Business Development

SMEPayroll provided a comprehensive training session for us to learn how to operate the system. With the use of the software, we were able to generate payrolls faster and more efficiently. SMEPayroll also comes with "Alerts and Reminders" which sends compliance updates automatically when declared, and has eased the overall HR process for us as an SME.

Jono Law | Corporate Account Manager

I am very glad that the support team has been giving a very good support. The support team is supportive and has been providing my company an excellent tech support. The support team is understanding, patience and provides me with a very detailed understanding on the software usage. I just want to say thank you to the support team for his excellence service.

Surjit Mehendale | Accounts Manager

We are using SMEPayroll since year 2008 the year in which we incorporated Goodwood. It is running very well and it's very user-friendly. We are satisfied with your support team as well. They are prompt in their responses. They provide us updates periodically which we really appreciate. Keep it up and all the best to A&B for its future way

Tan Lulu | HR Administrator

My company started using SMEPayroll from January 2010, and since then, I have been impressed with the frequent upgrades that always feature new and improved functions. These upgrades are always full of pleasant surprises and they tell me that the SMEPayroll Team listens attentively to clients and incorporates their needs into the System as far as possible.
